I understand that my safety and the safety of the public are of primary importance. I understand that I must comply with all FRA Rules and the M&H Railroad Rule Book. I understand that freight and passenger crews are expected to ask their supervisor about matters not covered by the FRA Rules and/or the M&H Rule Book. I understand, as an Employee or Volunteer for the M&H Railroad, that prior to the earliest train departure, I can review requirements for the day and clear up any questions I have with my supervisor. I understand that if I violate any of the above rules or requirements, I will not be permitted to work for or volunteer for the Railroad in the future.

I also understand that there will be required meetings each year to bring employees/volunteers up-to-date with any changes. I understand that if I do not attend these meetings, I will not be permitted to work or volunteer in the future. (There will be time at these meetings to discuss safety issues and give all employees/volunteers a chance to offer suggestions.)
